In Gratitude

A special thanks to supporters of the AASLD Foundation's Afdhal/McHutchison LIFER Award

We appreciate the support of the Liver Institute and Foundation for Education and Research which provides multi-year funding for the Afdhal/McHutchison LIFER Award that was established in 2016 (this gift was contributed prior to the *Tomorrow's Cures* campaign).

Although we take great care in compiling our list of donors, there is always the possibility of error. If we omitted your name, or if it is incorrect, we apologize and ask that you contact jwolfe@asld.org.
